

Serotonin Club Newsletter

The Next Club Meeting (17-19 July 2004)

FENS [European Neuroscience] 10-14th
July in Lisbon.

EPHAR [European Pharmacology] 14-
17th (noon) July in Porto.

**Serotonin Club 17th (late
afternoon)- 19th July in Porto.**

Organising the Porto meeting.

Above is a picture of the first meeting of some of the people involved in organising the Porto meeting. On the left is Prof Manfred Göthert, a long standing member of the Club and former Vice President. As President of the German Pharmacological Society he was intimately involved in the organisation of the IUPHAR meeting in Munich and is now one of the main persons organising the EPHAR meeting, so we are indeed fortunate in having him volunteer to also run our next meeting. Next to him is Prof Daniel Moura who is one of the two local organizers for EPHAR and who has very kindly agreed to serve as the local organizer for the Serotonin Club meeting, together with Professor Manfred Göthert. Finally, on the right is Daniel Hoyer, a major force in the Club for many years and currently President of the Club.

Here is the second meeting and now you see all the hard work that Manfred, Daniel and I have to put into the Club to ensure that meetings runs smoothly. Since Daniel and I had to be in Heidelberg for another meeting, Manfred travelled to meet up and discuss prog-ress. After 2 large glasses of the local beer, we felt that we could run the meeting faultlessly.

Symposium Proposals From Members

Thank you to all members who have submitted symposia proposals for the 2004 meeting. The response has been excellent and Councillors will be evaluating all suggestions shortly in order to select those of highest quality and novelty for our meeting. An outline of the symposia titles and speakers will be included in our next Newsletter. As before we hope to have a mix of high quality symposia and poster presentations and naturally also have a good social program.

Derek Middlemiss

I am sure all members of the Club would like me, on their behalf, to wish Derek Middlemiss, a founder member, former Councillor and strong supporter of the Club, a very happy retirement.

New Members

Welcome to the following new members of the Club who have joined since our last Newsletter:
Switzerland: Ann Fowler, **USA:** F Scott Hall.

Subscriptions

Thank you to all members who have already forwarded their subscriptions. If you are in arrears please send your payment as soon as possible as this avoids the time and costs incurred in sending out further reminders. Members whose subscriptions are two or more years overdue will be terminated!!

Where are they now?

Can anyone help us locate the following members? **Kurt Rasmussen** last address Lilly Research, Windlesham, UK, **Sharon Allen** Rowan Cabarrus Community College, Salisbury, USA. Thank you to everyone who responded to our appeal regarding lost members in our previous Newsletter.

Address change?

If you have changed your address send it to us now while you are thinking about it – send to:
rosemary.allen@astrazeneca.com

Generally speaking, all communications with members are now carried out via the internet so if we do not have your current e-mail address you risk losing all contact with the Club

The Club Website

Remember to check on the website for Club matters! The address is:
